**UNITED STATES DISTRICT COURT
CENTRAL DISTRICT OF CALIFORNIA**

MARY AMADOR et al.,
individually and as class
representative,

Plaintiffs,

vs.

COUNTY of LOS ANGELES, et al,
Defendants.

Case No. CV 10-1649 SVW (JEMx)
[Hon. Stephen V. Wilson]

**ORDER RE THIRD STIPULATION
FOR MODIFICATION OF CLASS
ADMINISTRATION FEES**

GOOD CAUSE APPEARING, the parties' third stipulation for modification of class administration fees is hereby GRANTED.

The Court approves payment in the amount of \$230,000 to the claims administrator, JND Legal Administration, for the third (and final) round distribution claims administration fees for this class action settlement, involving approximately 26,250 valid, confirmed claimants. These class administration fees will be paid from uncashed checks and accordingly will not reduce the previously calculated per class member payments.

1 The Court finds the funds are reasonable to cover administration fees and
2 expenses connected to the third (and final) round distribution, including the
3 increase in the volume of class member communications, significantly more check
4 re-issues to new addresses, and an extraordinary volume of calls from check
5 cashing companies seeking to verify checks.
